The Boomeranger is a Melee/Ranged fighter from the Prime world of Trove.. Boomerangers are very versatile with the capability of changing from a melee to ranged with just simply changing equipped weapons. They are also equipped with a large range of items including a Boomerang that stuns enemies and reduces cooldown and a large bomb that can break through the toughest Dungeon blocks.

Boomerang Generation is a term applied in Western culture to young adults graduating high school and college in the 21st century. They are so named for the percentage of whom choose to share a home with their parents after previously living on their own—thus boomeranging back to their parents' residence. This arrangement can take many forms, ranging from situations that mirror the high ...
