Companies lean on white for its reassuring associations with purity and hygiene. And green represents growth, refreshment, balance and nature: characteristics that add up to a clean bill of health for many healthcare companies, especially those with a focus on natural, organic living. But pink and purple healthcare logos are few and far between.

On 31 st August 2019, a new assessment criteria was implemented for the OET Writing sub-test. Don't worry, there are NO changes to the case notes in this section - the writing task stayed the SAME (you will still get case notes and will have to write a formal referral, transfer or discharge letter). There are also NO changes to the time or the level of difficulty of the task.
