People often describe themselves as fitting into one of two extremes – an avid reader or someone who does not read at all. Both groups express strong arguments to justify their passion or disdain for this popular pastime, with one camp citing a lack of interest and time issues as disadvantages of reading while the other sees reading as an advantage because of the mental stimulation and ...

The Attacks of September 11th, 2001, by Lauren Tarshis was a great book, explaining the life of someone who lived during the time of one of the most tragic events in U.S. history. Right when the first plane hit the first tower in the story, my heart started racing. The author really made it feel like I was there when it happened.

As detailed at Thread:264489, character pages should only have AT MOST 2-3 sentences per story, not whole paragraphs of plot detail. This page needs a major cleanup in that area. These problems might be so great that the article's factual accuracy has been compromised. Talk about it here or check the revision history or Manual of Style for more information. Explosive, exuberant, emotionally ...

Despite the fact that jousting did not yet exist in the 11th century, the jousting scenes are the highlight of the film along with a castle siege by an insurgent army led by Robin Hood himself will certainly keep you on the edge of your seat. Why this has never been given a Blu-ray realase (or a theatrical re-release) I may never know.
