"This is an emotional letter to share, because the numbers are so easy to calculate, but the feeling is difficult to put into words. I can say David and his work took me from \$200,000 to over \$1,000,000 in our first 10 months working together...with David's coaching and strategic advice. It's a long story, but I'll share the highlights. I was a struggling entrepreneur, and I was alone. But—while the money has been wonderful — what has ...
